NEWSLETTER - February 2011

Web: pvazhistoricalsociety.org

Hi to All:

Our February meeting will be on Saturday, 9:30, February 19th in the Crystal Room at the Library. Our speaker will be Lora Lee Nigh, on the Centennial Program with the Town of Prescott Valley. Lora Lee is on the PV Town Council. She has been active for quite a while and should have lots of information to share with us.

We had a presentation at our Board Meeting with Brian Witty, Parks and Recreation Director, on the Centennial Program. He has asked the Prescott Valley Historical Society to do a project related to the last 100 years with the trees the Town is planting at the Mountain Valley Park. We will be making signs to designate an event for that time period. We will put the event on a tree for each year starting with February 1912 to February 2012. This event will be on Arbor Day, April 29, 2011. The Centennial Celebration will be officially on February 14, 2012.

We will plan to have another picnic in Fain Park in May of this year. We had such a lot of fun last year we decided to continue this. We will also plan for a hike again within the park. We will fill you in later on more of the particulars.

The Chamber mixers for February are: Tuesday, February 8, 5-7pm at Sharp Business Systems at 3739 Karico Lane, Prescott and February 23, 5-7pm at Games People Play at 6550 E. 2nd St. in Prescott Valley.

We will have a new web site up and running shortly and will let you all have the information as soon as we get started. One of our members is putting it together and it will be nice to be available on line for all to see us and what we do.
