PRESCOTT VALLEY DOES IT AGAIN! !

On Saturday morning, September 20, 1969, some very nice folks left Butte, Montana on the 2nd round-trip chartered Greyhound bus trip Prescott Valley has arranged for its property owners.

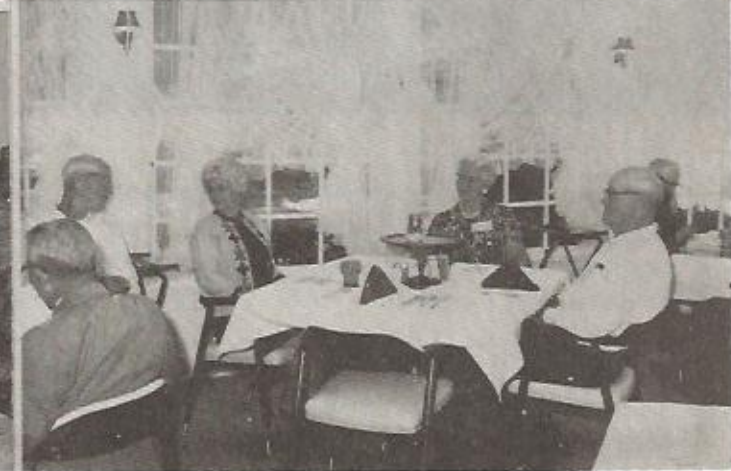

Hosted by Prescott Valley representative, Tom Zelk, this magnificent 8-day itinerary included an exciting tour of Salt Lake City, Bryce Canyon, glorious Grand Canyon, and a thrilling boat cruise on Lake Powell, to mention just a few of the high spots.

A permanent record of this fun-filled trip has been captured in the form of a pictorial review on the following pages.

Prescott Valley, Incorporated is truly gratified at your enthusiastic response to these chartered bus trips, and surely does enjoy arranging them for the benefit of all interested parties. It is particularly heart-warming to see the happy reaction on the faces of Prescott Valley property owners who are seeing their property for the first time.

Through the utilization of future tours, we hope to bring an ever-increasing number of our fine Prescott Valley family to this lovely, thriving young community Prescott Valley's growth and progress have been truly fantastic -- and we'd surely be proud to share it with you!

A hearty welcome from Prescott Valley residents and personnel began the moment our Montana visitors arrived on the property. Happy, smiling faces set the theme for the duration of their stay.

A mouth-watering buffet lunch awaited our travelers' approval -- attractively served in Prescott Valley's new motel dining-room, one of the more recent additions to our lovely community.

The warm, rustic setting of this attractive room provided a fitting atmosphere in which to recount highlights of the exciting trip from Butte to Prescott Valley.

An unexpected treat came in the form of an 'aerial view' of beautiful Prescott Valley. PV's Tom Zelk (extreme right) reports that for many, it was one of the major highlights of the day.

Enthusiastic PV property owners were able to observe their property and the entire development, from yet another vantage point as their plane soared high over this fine community and the lovely surrounding terrain.

The day's activities were festively climaxed by a succulent evening's menu featuring stuffed cornish game hens.

Our Montanans were heard to complain that they were being "luxuriously over-fed" but didn't embarrass PV's chef by exhibiting meager appetites.

Seated at the head of the table (a very fitting position) is Greyhound's driver and good-will ambassador, "Charlie" Layton, who had become an enthusiastic member of our Prescott Valley Family by journey's end.

And right after dinner, things REALLY started hopping over at the Community Recreation Center

"Sunshine" Shirley Sellers (extreme left) is PV's Champion Bingo Caller and her talents were cause for much 'over-the-shoulder' admiration on the part of your Fringe Benefit Editor.

All prizes were quickly claimed by the luckiest members of our Montana group, and as the old saying goes: "A Good Time Was Had By All."

The trip back for our visitors was a truly enjoyable one, and since their return home, we've received many nice notes and letters -- for which we say "Many thanks!"

It was -- in all respects -- a pleasure to have you with us!
